XI. Miscellaneous

For operations not mentioned above, the bank will charge a fee based on the amount of time involved in handling such operations and on the level of risk to be undertaken by the bank.

With regard to all these operations, we will debit the customer's current account for all postal communication and other costs such as taxes or other expenses paid by the bank.

At any moment the bank may replace this List of fees and commissions by an updated version which will come into force the day after publication.

Fees and commissions are in CZK unless otherwise stated. Spot middle rate valid at the day of processing is used to convert all fees stated in CZK and booked in a foreign currency.
